SUMMARY

Creative and results-driven Digital Designer and Marketing Specialist with a strong background in visual design, branding, and cross-channel marketing. Skilled in managing end-to-end projects, collaborating with teams, and delivering impactful digital content. Adaptable, deadline-oriented, and fully equipped for remote work.

EXPERIENCE

DIGITAL DESIGNER | MEASURE LEARNING

2023 - Present

- Developed and maintained a scalable design system, creating reusable templates and visual components to streamline creative production.
- Ensured brand consistency across all channels by enforcing visual standards and guidelines in digital and print materials.
- Designed and optimized digital marketing assets, including ads, social media graphics, email campaigns, landing pages, and web content to support performance goals.
- Collaborated with performance marketing teams to A/B test creative variants and refine assets based on data-driven insights.
- Improved creative workflows by systemizing design processes and integrating asset production with digital asset management (DAM) tools.
- Created customizable, on-brand asset kits for cross-functional teams (sales, customer success, and marketing) to support self-service content needs.
- Led the visual execution of major marketing campaigns, product launches, and corporate communications from concept through delivery.

HEAD OF DESIGN | LIGHTHOUSE GRAPHICS

2019-2023

- Led a team of 10 designers, managing workloads, removing roadblocks, and ensuring timely delivery of all creative projects.
- Oversaw full project lifecycle—from concept to delivery—defining visual direction, typography, and layout to meet client goals and deadlines.
- Created high-quality designs using Adobe Creative Suite, with expertise in Illustrator, Photoshop, and XD for both print and digital assets.
- Conducted regular client meetings to present design concepts, gather feedback, and ensure 100% client satisfaction throughout project timelines.
- Managed multiple accounts simultaneously, aligning project execution with budget and schedule constraints.
- Recruited, trained, and mentored new design staff, fostering team growth and ensuring quality across print and web design deliverables.
- Delivered a wide range of creative solutions including logos, branding packages, marketing collateral, social media campaigns, and websites.

MARKETING COORDINATOR | THE OFFICE PEOPLE

2015-2019

- Led targeted, cost-effective marketing campaigns across print, digital, and event channels to boost brand visibility and engagement.
- Managed multi-channel advertising strategies, including radio, TV, social media (Instagram, Facebook, LinkedIn, TikTok, Snapchat), and live events.
- Created branded collateral and coordinated with creative teams and vendors to deliver on-brand marketing materials for sales and promotional use.
- Planned and executed pop-up events, trade shows, and professional engagements, generating brand exposure and securing qualified leads.
- Implemented project management tools (Asana, Trello, Basecamp, ClickUp) to streamline workflows and ensure on-time delivery of marketing initiatives.
